STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 03/26/2022 while exercising my duties as a law enforcement officer in the _____ District of MT

Pursuant to 16 USC 551: I Forest Service Law Enforcement Officer John JANIK state that on March 26, 2022, I responded to a complaint about a very messy campsite that had been on National Forest lands all winter at the junction of the Delmoe Lake road and Halfway Creek. A camp trailer and other items in the campsite were recognized as belonging to Rachael HALVORSEN and Gavin HARRISON. Trash was blowing all around, sewage was being dumped onto the ground next to the stream. Drug paraphernalia was evident in plain sight. Food was left outside unsecured. It was very evident that the campsite had been there for a considerable period of time. On March 27, the campsite was documented with photos.. On March 31, 2022 the campsite was alarmed to notify JANIK of occupancy. On April 6, 2022 at 21:57 JANIK received a notice that there may be people at the campsite. JANIK requested assistance from the Jeferson County Sheriff's office. Deputy MERCER and MHP Trooper ARMSTRONG responded to the campsite with JANIK. Both HARRISON and HALVORSEN were found at the campsite. Harrison and Halvorsen were both arrested on State of Montana Warrants. HALVORSEN and HARRISON were issued Notices of Violation for Leaving litter in an exposed or unsanitary condition, a violation of 36 CFR 261.11b

The foregoing statement is based upon:
